### Subject: Gaming Night: Among Us

We're going to try something new. Students AND teachers are invited to an online gaming night this Monday and Thursday. For those not aware, **Among Us** is an app-based competition rooted in *teamwork* and **BETRAYAL**. We'll hang out on Google Meet, play private games, and somehow award prizes.

**Monday, November 2, 8-9pm**  
9th/10th grade, and teachers/staff

**Thursday, November 5, 8-9pm**  
11th/12th grade, and teachers/staff

If interested, look for a Google Meet invite from me next week!
