

## Diagnostic Testing Requirements

In order to consider your child's application, Landmark School requires a full narrative report that indicates the presence of a language-based learning disability. This evaluation must have been administered **within the past three years**. The following measures are required:

### 1. Cognitive Assessment: Wechsler IQ Scales

- Full WISC-V (Wechsler Intelligence Scale for Children) for students age 16 and under  
*OR*
- Full WAIS-IV (Wechsler Adult Intelligence Scale) for students age 16 +

*Please note that the WASI (Wechsler Abbreviated Scale of Intelligence) is not acceptable as a substitute for the WISC-V or WAIS-IV.*

**To the Evaluator:** All index scores as well as all subtest scaled scores are required. Landmark requests the Digit Span subtest to be reported as Digit Span *forward* and *backward*.

### 2. Academic Achievement Testing

- WIAT (Wechsler Individual Achievement Test)  
*OR*
- Woodcock Johnson Tests of Achievement  
*OR*
- Kaufman Test of Educational Achievement  
*OR*
- other similar measures of academic achievement

### 3. Assessment of Psycho-Social Functioning

- BASC (Behavioral Assessment Scale for Children)  
*OR*
- CBCL (Child Behavior Checklist)  
*OR*
- other similar measures of psycho-social functioning

**Please note:** Any additional testing that has been administered within the past three years (such as speech and language or occupational therapy evaluations) must be submitted along with your application. Thank you.
