## College Comparison Worksheet

Use this worksheet to organize the main features of the colleges you are considering.

|   | School Name | School Name | School Name  |
|---|-------------|-------------|--|
| Application due date  |             |             |  |
| Application policy<br>(Common App? Supplements?)              |             |             |  |
| Size  |             |             |  |
| Significant majors/programs                                   |             |             |  |
| Tuition/cost  |             |             |  |
| Average SAT Score   |             |             |  |
| LD support program  |             |             |  |
| Additional academic programs (Study abroad, internships etc.) |             |             |  |
| Dormitory/housing   |             |             |  |
| Other notes   |             |             |  |
|   |             |             |  |
|   |             |             |  |
|   |             |             |  |
|   |             |             | Landmark School,<br>Office of Transition and<br>Guidance |
